

Training Calendar of Krishi Vigyan Kendra, Dhenkanal

Sl. No.	Title of training	Category	Duration	Venue (Write KVK Campus / Name of the village)	Date
1.	Pathways to HH nutrition security for achievement of sustainable development goal	FW	1 day	Patrabhaga	04.04.22
2.	Popularization of best practices for achievement of health and sanitation	FW	1 day	Arachua	05.05.22
3.	Preparation of mango split by pit method	FW	1 day	Patrabhaga	27.05.22
4.	Post harvest management of Mango	FW	1 day	Parbatia	02.06.22
5.	Fertilizer management in Chilly	FW	1 day	Kanapala	13.06.22
6.	Value addition of Mahua flower	FW	1 day	Gopapur	17.06.22
7.	Rearing of low input poultry breed Aseel in backyard system	FW	1 day	Tarava	20.06.22
8.	Transforming and scaling up women owned mushroom farming enterprise	FW	1 day	Arachua	22.06.22
9.	Mechanization in rice cultivation	FW	1 day	Nathua	23.06.22
10.	Production and use of bio-pesticides	RY	1 day	KVK	24.06.22
11.	Cultivation practices of Tuber crop	FW	1 day	Parbatia	27.06.22
12.	Value addition of char seed	FW	1 day	Tandimunda	28.06.22
13.	Cactus as an alternative source of fodder	FW	1 day	Barada	29.06.22
14.	Use of tractor operated rotavator for tillage	FW	1 day	Kankadapal	30.06.22
15.	Importance and nutritional value of sweet potato in human diet for nutritional security	FW	1 day	Parbatia	04.07.22
16.	Use of different fodder in different species of animals	FW	1 day	Mahadia	06.07.22
17.	Package of practice of Broom grass	FW	1 day	Chandanbarda	12.07.22
18.	Nutrient management of Bitter Gourd.	FW	1 day	Kanapal	14.07.22
19.	Cashew based Agro forestry system	FW	1 day	Harekrushnapur	15.07.22
20.	Training on use of IPM practices for management of sucking pest in pointed gourd	FW	1 day	Bangursingh	18.07.22
21.	Use of power weeder for weeding in banana orchard	FW	1 day	Kaimati	20.07.22

Sl. No.	Title of training	Category	Duration	Venue (Write KVK Campus / Name of the village)	Date
22.	Training on use of IPM practices for sugarcane pest	FW	1 day	Motori	21.07.22
23.	Fertilizer Management in Mango Orchard	FW	1 day	Saratentulia	28.07.22
24.	Information on different teat dips formulation for prevention and control of mastitis in dairy cattle	FW	1 day	Banamaliprasad	29.07.22
25.	Pine apple as intercrop in Mango orchards	FW	1 day	Patrabhaga	05.08.22
26.	Training on use of IPM practices for management of BPH / WBPH in rice	FW	1 day	Gondia	06.08.22
27.	Training on use of IDM practices for management of blast sheath blight and BLB disease in rice	FW	1 day	dakhinapasi	17.08.22
28.	Fertilizer Management in Banana crop	FW	1 day	Nathua	18.08.22
29.	Different types of mastitis and measures taken for prevention and control of mastitis	FW	1 day	Bhejibolua	19.08.22
30.	Training on integrated disease management in mango	FW	1 day	lambodarpur	20.08.22
31.	Preparation of soap from mahua butter	RY	1 day	KVK	22.08.22
32.	Practical approaches to post harvest management of mushroom production	FW	1 day	Bhejibolua	23.08.22
33.	Training on use IPM practices for management different insects in mango	RY	1 day	Lambodarpur	30.08.22
34.	Training on use of IPM practices for management of sucking pest papaya	FW	1 day	Bhanranali	03.09.22
35.	Supporting Business Plan Development of HH enterprises	FW	1 day	Kanapal	08.09.22
36.	Resin tapping in sal	FW	1 day	Balikiari	07.09.22
37.	Drudgery reduction of farm women through women friendly smart equipments and machinaries	FW	1 day	Brahmania	14.09.22
38.	Production performance of different dual purpose breeds in semi intensive backyard condition	FW	1 day	Kanapala	15.09.22
39.	Farm mechanization for reduction of cost, labour & time	IS	1 day	Nathua	16.09.22

Sl. No.	Title of training	Category	Duration	Venue (Write KVK Campus / Name of the village)	Date
40.	Training on use of IPM practices for management of leaf folder and stem borer in rice	FW	1 day	Tarava	17.09.22
41.	Production of High value crop	RY	1 day	Nathua	21.09.22
42.	Effect of UMMB supplementation on milk production	RY	1 day	Banamaliprasad	27.09.22
43.	Production technology of cole crop cultivation	FW	1 day	Kanapala	10.10.22
44.	Importance of bypass fat feeding in the diet of dairy cattle	FW	1 day	Chandan Barada	11.10.22
45.	Value Addition and Processing of Tomato: Towards strengthening Tomoto Value Chain	FW	1 day	Bangursingh	12.10.22
46.	Importance herbal plants for entrepreneurship development	FW	1 day	Harekrushnapur	13.10.22
47.	Use of micro irrigation system in horticultural crops	FW	1 day	Kantapal	14.10.22
48.	Commercial floriculture	RY	1 day	KVK	25.10.22
49.	Different low cost concentrate mixtures on milk production in dairy cows	FW	1 day	Hindol	28.10.22
50.	Preparation of incense stick from locally available raw material	FW	1 day	Ambakholakateni	04.11.22
51.	Nutrient management of Tomato	FW	1 day	Badrapali	07.11.22
52.	Mulching in vegetable crops for water conservation and suppression of weeds	FW	1 day	Patrabhaga	09.11.22
53.	Integrated crop Management of marigold	FW	1 day	Kantapala	14.11.22
54.	Training on silage preparation from maize	RY	1 day	Joranda	17.11.22
55.	Promotion of nutrition sensitive agriculture through farm women	FW	1 day	Sartentulia	16.11.22
56.	Training on use of newer molecules for management of insects in vegetable	IS	1 day	KVK	18.11.22
57.	Mulching in vegetable crops for water conservation and suppression of weeds	RY	1 day	Pamala	22.11.22
58.	Promotion of Nutri smart village by popularizing home nutrition garden	IS	1 day	KVK	23.11.22
59.	Supporting profitability and technology options for women owned enterprises involving members of SHGs	RY	1 day	KVK	24.11.22

Sl. No.	Title of training	Category	Duration	Venue (Write KVK Campus / Name of the village)	Date
60.	Propagation techniques of Ornamental Plants	IS	1 day	KVK	30.11.22
61.	Use of tractor operated multi-crop planter for sowing of groundnut	FW	1 day	Tarava	02.12.22
62.	Mainstreaming women owned enterprises in pulses value chain	FW	1 day	Rasol	03.12.22
63.	Plants suitable for fuel wood, construction wood and pulp wood	FW	1 day	Saratentulia	08.12.22
64.	Production Technology of Minor Fruits	FW	1 day	Harekrushnapur	13.12.22
65.	Low cost feed formulation for rural poultry	FW	1 day	Patrabhag	14.12.22
66.	Training on integrated pest management in cabbage	FW	1 day	Hatibari	15.12.22
67.	Nursery techniques of forestry tree species	RY	1 day	KVK	16.12.22
68.	Use of biopesticides in vegetables	FW	1 day	Arachua	17.12.22
69.	Training on use of IPM for FAW in maize	FW	1 day	Khairabahali	21.12.22
70.	Skill upgradation of RY contributing to business development of FPOs	RY	1 day	KVK	23.12.22
71.	Different diseases of animals and their management practices	IS	1 day	KVK	27.12.22
72.	Organic vegetable cultivation	FW	1 day	Bhejibolua	04.01.23
73.	Nursery technique of selected tree species	FW	1 day	Khairabahali	06.01.23
74.	Use of micro irrigation system in horticultural crops	RY	1 day	Nathua	09.01.23
75.	Vaccination schedule of different diseases of different species of animals	FW	1 day	Bhejibolua	11.01.23
76.	Cultivation practices in Cucurbitaceous Crop	FW	1 day	Arachua	16.01.23
77.	Different Agro- forestry models for sustainable land management	IS	1 day	Majhisahi	20.01.23
78.	Training on management of wilting in brinjal with organic mixture	FW	1 day	Kanapal	10.02.23
79.	Macro propagation of bamboo	FW	1 day	Ambakholakateni	10.02.23
80.	Protected cultivation of off season vegetables	FW	1 day	Ambakholakateni	06.03.23
81.	Preparation of Molasses from Palmyrah Palm sap.	FW	1 day	Nathua	14.03.23
